- **Name & Customer Type:** Shows the package name and which customer type it applies to (e.g., Any Customer, Commercial).
- **Service Area:** Displays the zone or area where the package is available.
- **Contract & Billing Cycle:** Defines the length of the contract (e.g., 6 Months, 1 Year) and how often billing occurs (e.g., Monthly).
- **Total Items:** Lists the number of services included in the package.
- **Price & Free Trial:** Shows the package cost and whether a free trial is active.
- **Action Menu:** Options to **Edit** the package details or **Delete** the package.

Note: This page is useful for managing bundled services, checking contract terms, and reviewing pricing for different customer types.
