Use this form to create a new bin size:

- **Bin Size Name:** Enter the name of the bin size.
- **Category:** Select the appropriate bin category.
- **Volume:** Define the bin's volume.
- **Unit:** Choose between *Litre* or *M3*.
- **Stock:** Set the available stock quantity.
- **Price:** Enter the bin price.
- **Description:** Provide details about the bin.
- **Dimension:** Record the bin's measurements.
- **Order Note:** Add any notes for orders.
- **Xero Account / Xero Item:** Link to accounting records if required.
- **Submit:** Save the new bin size.
- **Back to list:** Return to the bin size list without saving.

Note: Ensure all required details are filled in correctly before submitting.
