The **Bin Logistic** page displays bin locations on the map and lets you manage tasks by date, type, and driver.

- Map View:** Shows the live location of bins and tasks.
- Date Range:** Select *Today*, *Tomorrow*, or filter by zone.
- Custom Date:** Choose a start and end date to refine results.
- Filter By:** Filter tasks by bin type (Skip Bins, Liquid, Front Lift, Wheelie, Trash Bag) and by driver.

Note: Use the filters to narrow down tasks for specific drivers, dates, or bin types.

When you click a bin icon on the map, a task detail pop-up will appear showing:

- **Task ID & Category:** Unique task code and type (e.g., trash bag).
- **Address:** Change Over or service location.
- **View on Google Map:** Opens the location directly in Google Maps.
- **Show task:** Highlights the task in the task list panel.

Note: Use this feature to quickly check task details and navigate directly to the service address.
