

USER MANUAL BIN HIRE

The **Bin Hire** page lets you manage daily hire rates and stock levels for each bin size across all zones.

Edit Company

Bin Hire

Green Waste Bin Type *

Clicking the "Save" button below will save the figures entered in these three input boxes only. All rates and inventory figures are saved on a per-row basis when the "Tick" button is clicked.

Extra Hireage:
extra hire per day after days

Save

Use this page to manage your rates:

- ✎ Click on the edit pencil button to change your daily rates.
- ✓ Click on the tick button to save your changes.
- ✖ Click on the delete trash button to reset all your rates and inventory to 0 for the selected bin size.
- 🔒 Click on each checkbox to block any delivery dates. Skip bins will not be offered for dates that are checked.

Duplicate 2 m3 for Green Waste

Note: It will duplicate the bin hire with the same details and create a new bin hire for every zone.

Bin Size

Close Save

- **Function:** Duplicate the selected bin hire with the same details (price, stock, settings).
- **Effect:** A new bin hire entry will be created automatically for every zone.
- **Steps:**
 - Click the green **Copy** button.
 - A popup will appear showing the selected bin size.
 - Confirm by clicking **Save** → the system will generate identical bin hire records across all zones.

Note: Use this when you want to quickly apply the same bin size and settings to multiple service areas without re-entering data.

Price & Current (Stock)

- Price:** Shows the rental price of the bin for that day/zone. You can edit the value if needed.
- Current (Stock):** Displays the available stock for that bin size. Adjust the number to update availability.

Save Changes

- After editing price or stock, click the **blue tick button** to save changes for that specific row.
- This ensures the updates are applied without affecting other bin sizes or zones.

Note: Always double-check before saving to avoid incorrect prices or stock levels.
